

# Abbey School - Family Newsletter Summer 1 half term

The Spring Term seems to have flown by with two very short half terms. The children have all worked hard particularly our year 11 leavers who have completed their mock exams in preparation for their real ones starting in May! I wish them personally lots of luck and hope they achieve the outcomes they want to get towards their next steps.

We are spending time this half term recruiting staff for our 3 new classes. The school is part of the growth plans for both Rotherham Local Authority which shows the reputation for being a great school.

The dates below are for your diaries. Please remember to download the school app and look at updates on the school website and twitter. We are hoping to become a paperless school in the new academic year.

Can I wish you all a very Happy Easter with your families and hope that you are rested and ready for our Summer Term fun.

Luci Wuddle

Headteacher.
