Proud Card

Proud Cards— We love to hear how our pupils are sharing their learning at home. Has your child said or done something that needs celebrating, maybe a sporting achievement or told you something they have learnt in school? If so fill in a 'proud card' and share it with school.

Please keep an eye out for information on the school website, for example the Rotherham SEND Parent Partnership Service is introducing themselves to you under the information section.

Thank you to those who attended our celebration assembly last term. I am sure you are as proud of the pupils as we are. They work extremely hard in school and seeing them enjoying their learning is always an absolute pleasure.
