

At Home

* Do a project on one of the Ages we are going to study: Stone Age, Bronze

Age and Iron Age. Find out about how the humans in your chosen age lived

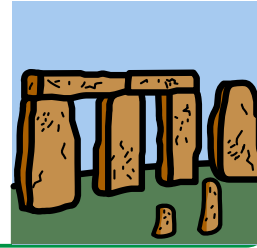

and how they looked after themselves.

* Watch the film 'The Croods'

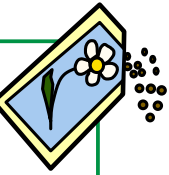

On the computer

- research Stonehenge. Can you find some information and pictures about Stonehenge?
- * Access purple mash set activities
- * Read a story on oxford owl.

Family Time Outside

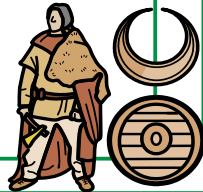

* As spring is approaching why not have a go at growing something new in the garden. Don't forget to take lots of pictures.

Things to make.

* Make a model or draw a picture of a tool that could have been used in the Stone Age.

* Make a 3D model of the Bronze age settlement.

Take Away

Homework

Menu.

Spring

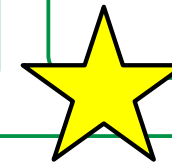

2

two.

Homework will be set at the beginning of each half term.

You can complete as much or as little as you like.

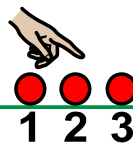

For each task you complete you will get 10 extra points. Don't forget to take lots of pictures or write your ideas down to show me.

Maths

* Which times tables are you working on? Can you practise this and challenge yourself to learn the next times table?

* Visit the shop with an adult. Can you pay for the shopping? How much change will you get?

Writing

Can you write a character description for a character out of 'The Twits'

Complete the ABC booklet to practise your letter formation.
