U3 Explore Further Menu Autumn Term 2.2

Name:

Please hand in to Miss Smith your Teacher.

How was your weekend?

In your 'weekend news' diary, tell me what you've been up to (1 page minimum). Your writing should be engaging with lots of description.

New Word

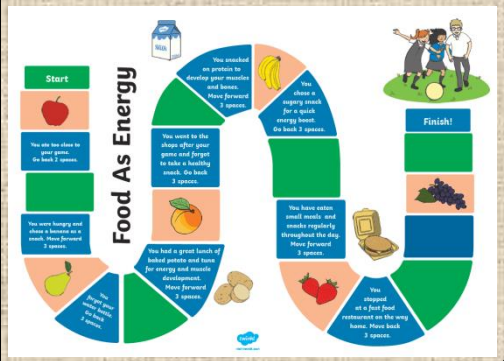
Learn a new word – find out what it means and be ready to share with the class on Monday Mornings!

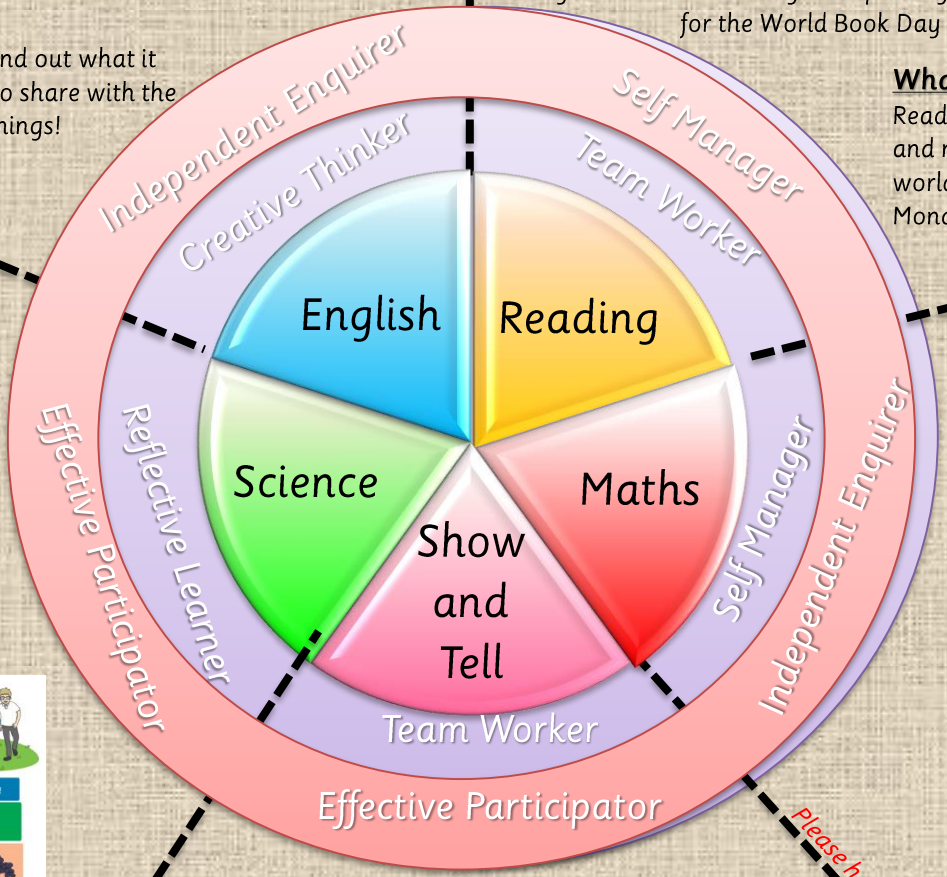
Please hand in to Mr. Shirazi-Nejad ☺

Biology

Have a go at the 'Food as Energy' board game with somebody at home! (Attached to this menu)

Take a photo and tweet me **@MrShiraziNejad** and have your work featured on the Science hall of fame display board!





Please remember to ask an adult to fill in your reading record!

Drop Everything and Read!

Find a space and enjoy some reading time. Once you have completed your book – write a book review! Remember to let your class teacher know you have read so they can update your classes share-o-meter for the World Book Day campaign!

What's in the news?

Read a newspaper or listen to the news and note down what's happening in the world this week. Be ready to share on Monday Mornings!

Shape!

Look around your home and can you name the shapes you see?

Design and make your own junk model object. This could be a car, bike, robot ect.

This will be added to our exhibition at the end of the term!

Please hand in to Miss Bruce

Research

Find out about famous female engineer. Create a fact file about them.

Is there something you wish to bring into school to show your class?

Maybe a project you have been working on?
