INSPIRE...BELIEVE...ACHIEVE

18/01/2021

Dear Abbey Families,

In light of the current National Lockdown and in order to further protect families and the community as a whole, I would just like to remind families of our dropping off and picking up procedures.

If your child is on school transport they are to wear a mask, where possible, to mitigate against the spread of the virus.

For our families that drop off and pick up their children

Please ensure that you are keeping the number of people you bring with you to a minimum.

To turn off your engine once you are parked.

Where possible to remain in your vehicle and if you have to leave your vehicle to hand over your child to a member of staff, please ensure that you are wearing a mask (unless medically exempt). Wearing a mask on site should be seen as an additional precaution, not a replacement for social distancing.

Once you have dropped off your child and you are ready to leave, turn on your hazard lights so that the staff on carpark duty know when to release all vehicles in the car park.

We are hoping that the new road will soon be open and ready to use and when this happens we will inform you of any changes to the procedure in light of this.

As always, thank you for your understanding and co-operation.

Yours sincerely,

Wayne Askham
Head of School
