

## What did we do?

During the lockdown and upon returning to school.

- · Developed Professional Study as an alternative to work experience
- Travel training study to ensure all journeys were meaningful and linked to student aspirations
- · How community inclusion looked on different sites
- STEAM Street Use for Single Classes and development of new job opportunities linked to student aspirations
- YST online /Outdoors using you tube as vehicle to delivery weekly exercise

## Our Future Planning

How will we build upon our recovery Curriculum?.

- YST Scheduled events "Back Together Again" sent to regional special schools, selected mainstream partners to reach out to other 30 schools
- STEAM Street interviews are taking place and after school clubs linked to the use of the street.
- Travel training both in groups and individuals in our Post 16
- Community work is being undertaken with the local church developing out Winter Wonderland Social Project
- Work experience opportunities planned and being undertaken to allow pupils to apply and continue to train using professional qualifications
