Abbey School Acceptable User Agreement for Lower School

At Abbey School we use an Acceptable User Policy for Lower school learners. This is how we stay safe when we use computers:

I will ask a teacher / an adult if I want to use the computer.

I will only use activities that the teacher /an adult has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from the teacher / an adult if I am not sure what to do or if I think I have done something wrong.

I will tell the teacher / an adult if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer.
