

# How our curriculum design builds knowledge and skills

## Curriculum Maps

Our curriculum maps and long term overviews show the sequential learning journey for pupils and how they build towards substantive concepts.

01

02

## Knowledge and Skills Statements

Identify the personalised knowledge and skills that pupils are developing in each subject. We refer to this as disciplinary knowledge.

## Medium Term Plans

These outline the learning and teaching that is needed and map the Knowledge and skills statements and big ideas.

03

04

## Assessment

Pupils are assessed against the disciplinary and substantive knowledge they are securing in each subject.
