Too Good To Go:

Too Good To Go offers what we like to call 'Magic Bags'. What's so magic about them? Well, the 'food waste' that we deal with here at Too Good To Go is all the delicious, perfectly edible food that stores and restaurants have to throw out at the end of the day. Some great examples of this unsold food is from bakeries that have to bake fresh everyday or restaurants that didn't sell all the food they had prepared. However, you won't know exactly what you're getting until you pick it up.
