

Abbey School Development Plan 2021-22

To apply inspirational, visionary and exceptionally strong leadership and governance through every individual that ensures we to look up and out in recognising our responsibility for pupils and staff across all the Trust schools and beyond in order to continually improve the wider education system.

A LOVE for reading

What this means for our families:
 Your child will benefit from Faculty Teams that enhance the curriculum and provide stretch and challenge. Newly qualified teachers are supported to deliver high quality learning and teaching.
 Our families will benefit from improved signposting, in house training and know what their child is learning and how they can further be a part of it through the Parents Charter Principles.
 Our families will benefit from sustained improvement of partnership work despite where they live or whatever site they are located in.

For Families

What this means for our pupils:
 Our pupils will benefit from research-based learning and teaching. They will be supported, stretched and challenged to be the best learner they can be.
 Our pupils' families will be part of their school life and be supported to enhance their child's learning.
 Our pupils will benefit from sustained improvement of outside spaces and partnership work with others beyond their school community.
 Provision is equal on all 3 sites.

For Students

What this means for our team:
 Our staff will be given further collaborative opportunities to develop research-based learning and teaching approaches.
 Our staff will be supported through their early careers to be forward thinking educators.
 The wellbeing of staff is recognised as a priority by all.
 Our staff will be given further leadership opportunities and being about sustained change for their learning community.

For Staff

A LOVE for reading

To apply inspirational, visionary and exceptionally strong leadership and governance through every individual that ensures we to look up and out in recognising. To deliver exceptional learning and teaching opportunities for the whole community by engaging the business world to enhance the curriculum offer.

To provide an engaging personalised learning environment with a culture of acceptance for all that meets the continued wellbeing needs of our pupils and staff.

What this means for our families:
 Our families will benefit from increased development of outdoor spaces as part of their involvement with school.
 Our families will see their child have increased leadership, careers and employment opportunities.
 Our families will be supported and encouraged to use a range of communication strategies that will enhance their child's involvement in their wider community.
 Our families will see their child given national and international opportunities to collaborate and learn together with peers

For Families

What this means for our pupils:
 Our Pupils will benefit from relaxing and calm spaces to learn and play together.
 Our Pupils will receive greater hands on experiences of the real world through role plays, visits and after school provision.
 Our pupils will be given the strategies and tools to enhance and take ownership for their communication.
 Our pupils will make national and local links with peers wider than their school community and learn together through projects.

For Students

What this means for our team:
 Our team will lead on the development of outdoor and corridor spaces that promote wellbeing.
 Our team will continue to enhance the curriculum through real world outcomes that further enhance the skills of our pupils
 Our team will promote the communication of all through the school community by using latest methods and research.
 Our team will learn and collaborate with other colleagues both nationally and internationally

For Staff

What this means for our families:
 Our families will be supported to use technology that enhances their child's learning.
 Our families will benefit from new research into Phonics and be offered opportunities to support their child with this.
 Our families will be given the opportunity to know more about what their child is learning how they are doing this and why?
 Our families will have opportunity to take part in and celebrate the arts through Artsmark activities.

For Families

What this means for our pupils:
 Our pupils will be taught to use creative technology that ignites creation and curiosity.
 Our pupils are given the opportunity to develop their phonics using new approaches.
 Our pupils will benefit from learning and teaching that uses the latest research.
 Our pupil's exposure to the arts will be enhanced with more collaborative opportunities using the Artsmark to recognise this.

For Students

What this means for our team:
 Our staff will benefit from identified champions of creative technology that share best and next practice.
 Our staff will use new approaches to phonics and be part of national research.
 Our staff will use the latest research into learning and teaching to continue to deliver an inspirational curriculum.
 Our staff will promote the arts in school to ensure that pupils and their families can share experiences together through the Artsmark Award.

For Staff

A LOVE for reading

To openly and honestly research, test and implement innovative learning theories so that all learners achieve beyond what they ever thought possible.

What this means for our families:
 Our families continue to support and work with the school to promote and be proud of their child's attendance in school.
 Our families are encouraged to be part of the schools housing system through the events.
 Our families contribute to and promote the development of the #teamabbey promises
 Our families are aware of the therapies that are available within school and have opportunities to meet and learn from our staff team

For Families

What this means for our Pupils :
