**INSPIRE...BELIEVE...ACHIEVE**

To our #teamabbey families,

I cannot believe that we are at the October half term. As always it has been an absolute pleasure to see how our children have settled back into school life

### How can we get involved more with school?

Along with this letter we are also sending out a link to our family participation survey We would love to hear about further opportunities as to how you could become engaged further in supporting your child's education, opportunities to develop your own learning. We have added more events for families next half term for you to be involved in also.
