INSPIRE...BELIEVE...ACHIEVE

Dear parents / carers,

As a part of your child's education at Abbey School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, during the Autumn 2 term, your child's class will be taking part in lessons which will focus on the relationship and health education aspect of the programme. At Abbey School we follow the schemes of work from PSHE Associated and Rotherham Healthy Schools. All PSHE learning takes place in a safe learning environment and is underpinned by our school ethos and values.

Lessons will include pupils learning about: consent, the risks of sharing sexual images, contraception, pregnancy, maintaining sexual health, preventing sexually transmitted diseases and sexual health services. Pupils will also have opportunities to ask questions.

PSHE is taught throughout the school and is monitored and reviewed regularly by the staff and governing body. Please visit the school website www.abbeyschool.co for more detail about our PSHE curriculum, class long term overviews and our [sex and relationships policy](#).

As a school community, we are committed to working in partnership with parents and if you would like to find out more about what your child will learn, view the materials and discover how you can best support your child at home, please contact me via email.
jtapp@nexusmat.org

Yours sincerely,
Miss J.Tapp (PSHE lead)
