## To our Team Abbey families,

It has been an amazing half term and it has been a pleasure to see so many of you at the events that have been held in school. I wanted to update you on a few things and give you a pack of information that will take you into the next half term. The pack contains the following:

### Progress report

Within the pack you will see your child's progress overview. I want to say how proud we are of each and everyone of our pupils and the progress that they are making. When you at your Childs progress and where they are on the ladder remember that they are so much more than a grade, your child is a part of our amazing community and we are lucky to have them at #teamabbey.

### The Key dates Newsletter

We have included in your pack Next Terms Key Dates newsletter that gives an overview of the events that are taking place next half term for your children and the opportunities you have to be involved in their learning.

### Your SeeSaw Login

Some families are already using SeeSaw to communicate with their child's class teacher and as we move through the year we are hoping that this will be another way we can share information of your child's learning journey. We are trialling how this goes and will keep you updated.

### The Big 6 Curriculum Ideas Booklet

The Big 6 ideas are #teamabbey's way of helping your child transfer their learning to different subjects. For example, what they learn in maths and how this can be used in science. The Big 6 Ideas are explained in your booklet. We will be asking pupils to come dressed up as an idea or something or someone from one of the Big Ideas on **Friday 10<sup>TH</sup> March 2023** next half term as well when we hold our Big Ideas Day.

### Exciting News:

We are finalists in the Youth Sports Trust National Awards for the work our students and staff do in the wider community for inclusive Sport.

### INSET Day

Please remember that the Nexus Trust wide INSET is on Monday 20<sup>th</sup> February. The school will be closed to all pupils and reopen as normal on Tuesday 21<sup>st</sup> February.

As always may I take this opportunity to thank you for your continued support and can I wish you a very happy half term. Please stay safe and we look forward to welcoming your children back on Tuesday 21<sup>st</sup> February.

Warm wishes

Wayne Askham
