A message from the Team

Firstly what a fabulous half term we have had at Post 16. We have visited all areas of the county being truly visible and valued. We have had a number of extremely successful work experiences. For example our work at Helping Hands, Magna, Geek Retreat and other schools.

As we move into the final half term we can not wait to our Parents Evening and look forward to seeing you. This will be held on the Main Site at Kimberworth Postcode S61 2RA.

Next term we will also be sending out our annual parent voice and look forward to hearing about what has gone well for your child and also things we may do to improve.

We are extremely proud of the Post 16 students who have sat examinations, been role models not only to children in school but also the wider community.

We look forward to another successful half term working in coproduction with you.
