## Subject: Exciting Update for Our Post 16 Families

Dear #WAVEE Families,

We are thrilled to share exciting news with you regarding our Post 16 students! After extensive planning and preparation, with valuable input from our students, we are delighted to inform you about our new Post 16 Building on the Main Site - The WAVEE Hub. This new facility will provide enhanced opportunities for your child.

Currently, the Post 16 team is in the process of packing up the WAVEE building. Here's the plan moving forward for the remainder of term up until Easter.

Transport will still drop off and pick up your child at the Post 16 Town Centre Site for the remainder of this term. If you drop off your child, we ask that this still remains the case. From here pupils will undertake the following:

**Monday and Tuesday:** The building contents will be transferred to the new Hub on the main site. During this time, students will continue their leisure and community activities as usual.

**Wednesday and Thursday:** Students will be at the main site and the brand-new Hub. Some will be engaging in work experience and settling into their new surroundings, making it their new home.

**Thursday 28<sup>th</sup> March** - Pupils Break Up for the Easter Break at Normal Time.

**Monday 15<sup>th</sup> April** - Following the Easter break, students will be dropped off at the Hub on the Main Site. Please note that there may be changes to transport routes after Easter to better cater to the new location.

**If your child's transport is affected, Rotherham Council's Transport will ring you over the holidays to confirm any changes.**

We are truly excited about the future of our Post 16 program and our new purpose-built hub, which we are incredibly proud of. It's an exciting step forward for our students' journey to adulthood.

Thank you for your continued support and partnership in your child's education.

Warm regards,

Mrs. Windle and Mr. Askham
